

Bazi Reading -Sample 3

Character - With reference to Box 2, Energy of an emperor: giving directions, never wrong, he is always right, a person who never change. The chart also sees a Fuyin chart, meaning that you will likely to be very extremely stubborn and have your own principles and will unlikely to change, things will get slightly better when you get older. Honour, loyal, faithful. "Head of a hundred army", someone with leadership qualities. Someone highly capable and wise. Easy going, humble, like to dream. Someone stable, firm and honest. In box 2, we can see many Ding 丁 in the box, represent beautiful women, meaning that you life will always surrounded with women.

Wealth - Direct wealth profit star is always with you since day 1, which is located at box 8, which is the same element as earth element where you are locating at box 2. Earth and earth are in harmony. Generally, it is good. However, looking deeper sees additional indication of a "horse" which represents that if you wants to have profits in your business, there is a need to travel and go overseas. The box 2 also has a "o" meaning that your profit will not be always consistent, some years are good, some years are not so good. In the year of 2021 and 2022. The "o" is filled, hence the box 2 energy is multiply by many folds, it is the 2 good years to have good profits. Best industry to go for is industry that has **Earth or Fire** element.

Career - You will be the one that creates multiple opportunities in your career, resulting in many good career which will be full of choices. Hardship is there as you will be the one creating it, resulting in depleted energy.

Relationships - Always in a "relax" mood, you will take good care of the family and will also spend alot of money in the family.

Health - A major concern on the health is the health star and the death star is within the same box with you. Meaning that in the event of any health issue, it can be very fast and furious. For the year 2021-2022, (The peak is July-Aug for 2021 and 2022) the energy had been activated. Avoid spicy food when possible, slow exercise when possible, regular medical check up is needed. In order to count these energy for possible health issues in 2021-2022, resting is important, there is also a need to spend money, likely in health related products, equipment, medicine, seeing doctors to lower the chances from happening. Always look out for issues related to stomach, intestine, spleen and right arm. The next years to be even more careful are years 2024,2027,2028 which are the years of the peak in terms of energy at box 2.

Recommendations- The fuyin chart is one of your main obstacle to many issues and challenges you are facing in life, learn to be flexible, open to need ideas and say more yes to opportunities and suggestions, it will open up more avenues for you in many ways. Year 2021 is Xing Chou year, which trigger the energy of box 2. Energy of profit and health issues are activated
